\_\_\_\_\_ Install Date

### COUNTY ROADS DRIVEWAY CULVERT INSTALLATION AGREEMENT

*There are only two culverts per parcel allowed per Palm Beach County Ordinance 2007-013, "Lots located on local or residential access streets shall have a maximum of two access connections."*

1. Name: \_\_\_\_\_ Date: \_\_\_\_\_  
*Please Print Name*

2. Address: \_\_\_\_\_

3. Phone: \_\_\_\_\_ Email: \_\_\_\_\_

4. Is this for a replacement or for an additional driveway? (Indicate how many.) Replacement \_\_\_\_\_ Additional \_\_\_\_\_

5. If a replacement, indicate what type of surface exists over current culvert: (Circle one.)

Asphalt (\*\*see below)      Concrete      Pavers      Shellrock/Gravel

\_\_\_\_\_ \*\*I understand the asphalt will be removed from the culvert surface but SIRWCD will not haul it away.  
(Initials) \*\*I have signed a *Hold Harmless Agreement*.

6. Will a permanent surface (asphalt or concrete) be poured over new culvert? Yes \_\_\_\_\_ No \_\_\_\_\_

7. A Basic Installation includes District installation of a 24" diameter mitered end pipe. Poured surface and concrete headwall is responsibility of landowner.

\_\_\_\_\_ \$650.00 for each County Road culvert installation.

**(Please make check payable to SIRWCD.)**

-----  
Please read and initial:

\_\_\_\_\_ **Elevation for culvert is determined at installation and I understand that I may have to purchase material for**  
(Initials) **culvert area or driveway.**

\_\_\_\_\_ I understand that I need to contact Palm Beach County to apply for a permit if I decide to cover my driveway with a  
(Initials) permanent surface such as Concrete, Asphalt, Pavers, etc.

\_\_\_\_\_ I also understand that maintenance of the culvert is my responsibility and I have received maintenance instructions.  
(Initials)

**I agree to the terms and conditions set forth by South Indian River Water Control District.**

Agreed: \_\_\_\_\_ Check#: \_\_\_\_\_ Amount Paid: \_\_\_\_\_
