Install Date _____

COUNTY ROADS DRIVEWAY CULVERT INSTALLATION AGREEMENT

There are only two culverts per parcel allowed per Palm Beach County Ordinance 2007-013, "Lots located on local or residential access streets shall have a maximum of two access connections."

Name: _____
Please Print Name

Date: _____

Address: _____

Phone: _____ Email: _____

Is this a new installation or a replacement? (Indicate how many.) New _____ Replacement _____

If a replacement, indicate what type of surface exists over culvert: (Circle one.)

Asphalt*/Concrete** Pavers Shellrock/Gravel

_____ *I understand the asphalt will be removed from the culvert surface but SIRWCD will not haul it away.
(Initials) **I have signed a *Hold Harmless Agreement*.

Will a permanent surface (asphalt or concrete) be poured over new culvert? Yes _____ No _____ (If yes, see *Limited Installation* below.)

A ***Basic Installation*** includes a 24" diameter mitered end pipe, poured concrete headwall and sod where needed around the culvert. **Fill dirt needed to cover the pipe must be supplied by the landowner and on-site at the time of the installation.**

_____ \$750.00 for one basic culvert installation _____ \$1,500.00 for two basic culvert installations

A ***Limited Installation*** includes District installation of a 24" diameter mitered end pipe followed by sod placement. **Poured surface and concrete headwall is responsibility of landowner. Prior to pouring, landowner must schedule an inspection and show proof of County permit.**

_____ \$650.00 for each limited County Road culvert installation.

(Please make check payable to SIRWCD.)

Please read and initial:

_____ Any upgrades from ***Basic Installation*** are at the owner's expense. **Elevation for culvert is determined at installation and I understand that I may have to purchase material for culvert area or driveway.**
(Initials)

_____ I understand that I need to contact Palm Beach County to apply for a permit if I decide to cover my driveway with a permanent surface such as Concrete, Asphalt, Pavers, etc.
(Initials)

_____ I also understand that maintenance of the culvert is my responsibility and I have received maintenance instructions.
(Initials)

I agree to the terms and conditions set forth by South Indian River Water Control District.
