

South Indian River Water Control District™

Established 1923

BOARD OF SUPERVISORS MEETING

May 18, 2017 – 7:00 p.m.
Jupiter High School – Media Room
500 N. Military Trail, Jupiter, FL 33458

2017 LANDOWNER INITIATED ROADWAY PROJECT HEARING AGENDA

1. Pledge of Allegiance
2. Presentation of Proposed 19th Plan of Improvements
3. Comments from Landowners
4. Adjourn

BOARD MEETING AGENDA

1. Consent Agenda
 - A. Approval of Minutes of Previous Meeting
 - B. Approval of Warrant List
2. Public Information Report
3. Treasurer's Report
4. Manager of Operations Report
5. Engineer's Report
 - A. 19th Plan of Improvements
6. Attorney's Report
7. Old business
8. New Business
9. Landowners' Items
10. Adjourn

**DICK GRUENWALD

May 18, 2017

**TO: Board of Supervisors
SOUTH INDIAN RIVER WATER CONTROL DISTRICT**

**FROM: Dick Gruenwald Associates
DISTRICT PUBLIC INFORMATION SPECIALISTS**

SUBJECT: Monthly Report- May 2017

News releases/Notices were sent out to local newspapers and community publications:

- ❖ Monthly Meeting and Public Hearing
on the Proposed 19th Plan of Improvements (*May 18*) release

The following items were updated on the website:

- ❖ Workshop (*Mar. 9*) minutes
- ❖ Meeting and Public Hearing updates
- ❖ May newsletter
- ❖ New Paving/Stabilization Policy–Petitions, Referendum, Road Construction and News pages
- ❖ Special District website requirement updates
- ❖ Safety Award presentation
- ❖ Matt Wood and Carol Wise 5 year award presentation

Attended Staff Meeting (*May 8*) Monthly Meeting (*Apr. 20*)

Attended and photographed Matt Wood and Carol Wise 5th year award presentation, Safety award presentation and staff group photo.

The May newsletter is being printed and will be delivered to all Landowners prior to the Public Hearing on the Proposed 19th Plan of Improvements. Also included are the Paving/Stabilization policy update, 5 year awards to Matt Wood and Carol Wise, Safety awards, Palm Beach Country Estates potable water update and Stormwater Education corner.

The District office and staff are reviewing and updating the District's Policy & Procedures Manual. Chapters 1-3, 5 & 6 are currently being reviewed by staff, with comments due back by June 2nd.

We continue to work with Mr. Meyer and the Manager of Operations on a regular basis. We review and monitor print and online media for all SIRWCD related stories articles on roads, drainage and other issues of interest in Palm Beach County and Florida, as well as nationally, then prepare and distribute material to supervisors and members of the staff via PDF in e-mail.

To: Board of Supervisors
FROM: Charles F. Haas, Treasurer
RE: Treasurer's Report for the month of May 2017
CC: Staff
Date: May 18, 2017

Routine Business

1. The District received a total of \$5,289,720 in current assessments receipts from the Palm Beach County Tax Collector through April 30, 2017.
2. We continue to work with the District's auditors, Grau & Associates, and will soon be issuing the financial statements for year ending September 30, 2016.
3. As an update on the budget process, we are enclosing a budget calendar delineating the critical dates for completing the budget and the related assessment roll. We have received a suggestion for a new program in the water control area of the budget, which we will be presenting at the meeting.
4. Following the Board's direction we will be sending our report to the District's Public Information Officer for uploading to the web-site.

Board Consideration

1. The Board will be asked to approve the list of disbursements. (sent under separate cover).

South Indian River Water Control District™

Established 1923

MEMORANDUM

TO: Board of Supervisors
FROM: Manager of Operations
SUBJECT: Manager's Report for April 14, 2017 to May 12, 2017
DATE: May 12, 2017

ADMINISTRATIVE

1. Conducted monthly review of District canals with aquatic weed spray contractor.
2. On site meetings and phone conversations with Landowners regarding drainage, road conditions, and driveway culvert installations.
3. Attended Staff Meeting.
4. Attended Loxahatchee River Management Coordinating Council meeting.
5. Attended Loxahatchee River Preservation Initiative meeting.
6. Received \$2645.00 from Verizon for monthly cell tower lease.
7. Office Assistant, Carol Wise, and Superintendent, Matt Wood, celebrate five years with the District.
8. Attended Certified District Manager Training Course in Tallahassee.
9. Gym equipment installed at Berman Park. Playground area was re-mulched.
10. Attended Safety Council of Palm Beach County seminar on Fall Protection with Office Administrator, Holly Rigsby and mechanic, Jim Powell.
11. District purchased used Dump Truck.

MEMORANDUM

To: Board of Supervisors

Date: May 12, 2017

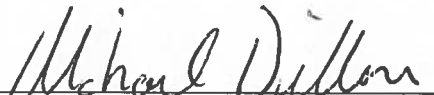

Page 2

WATER CONTROL

1. Mowers continue routine maintenance throughout the District.
2. Received 7.46 inches of rain this reporting period.
3. Prepared swales for six culvert installations, inspected four driveway culverts and District crews installed 19 driveway culverts.
4. Terra Tech continues canal spraying for aquatic weed control.
5. Crews continue to replace District drainage culverts at various locations.
6. Drainage swales continue to be re-contoured throughout the District.
7. Received bids for clearing drainage outfalls in Jupiter Farms.
8. Meeting with District Engineer and Landowner to review Canal 13 right-of-way.

ROAD MAINTENANCE.

1. Rented 2000 gallon water truck. Roads are being watered as requested.
2. Reviewed roads for the 19th Plan of Improvements with District Engineer.

Subject Engineer's Report for May 2017

From Amy E. Eason, PE, District Engineer

Board Meeting
Date May 18, 2017

The following is a summary of activities and communications that were of significance during the month of May. Updated information is presented in **bold**:

I. CURRENT CAPITAL IMPROVEMENTS AND OTHER DISTRICT PROJECTS

- A. Pursuant to Board direction after petitioners met the minimum requirements, staff prepared a referendum for the landowner proposed project that was mailed February 6, 2015 with the request that the landowners submit their response to the District by March 12, 2015. On March 26, 2015, staff received the certification from the Supervisor of Elections on the results of the referendum. The majority of the landowners who voted on the following roadways were "in favor" of the proposed project for asphalt in Palm Beach Country Estates (approximately 3.8 miles):

- 64th Way N. between 146th Road N. and 149th Place N.
- 67th Trail N. between 146th Road N. and 149th Place N.
- 68th Drive N. between 146th Road N. and 149th Place N.
- 74th Avenue N. between 155th Place N. and 159th Court N.
- 75th Way N. between 150th Court N. and 154th Court N.
- 77th Trail N. between 150th Court N. and 154th Court N.
- 78th Drive N. between 155th Place N. and 159th Court N.
- 81st Terrace N. between 150th Court N. and 154th Court N.
- 149th Place between 69th Drive N. and 64th Way N.
- 163rd Court N. between 75th Avenue N. and 79th Terrace N.
- 163rd Court N. between 75th Avenue N. to East End

At the May 2015 meeting, staff was directed to prepare the 18th Plan of Improvement. The public hearing for the Plan of Improvement was held on August 20, 2015. Staff was then directed to prepare the Engineer's Report. The public hearing for the Engineer's Report was held at the October 15, 2015 meeting. At the October 15, 2015 meeting, staff was directed to begin survey and design services for the approved 18th Plan of Improvement.

On May 20, 2016, an advertisement for bid on the project was published in the Palm Beach Post. Potential bidders picked up bid documents on May 27, 2016 with bids due on June 27, 2016.

After negotiating with the lower bidder, Hardrives, Inc, contract documents were executed and a notice to proceed was issued for October 1, 2016. Staff conducted a substantial complete walk through with the contractor on April 3, 2017. Contractor is completing the punch list items. Staff is prepared to update the board at this month's meeting.

- B. Pursuant to Board direction after petitioners met the minimum requirements, staff prepared a referendum for the landowner proposed project that was mailed October 17, 2016 with the request that the landowners submit their response to the District by December 9, 2016. On December 14, 2016 **and on April 14, 2017**, staff received the certification from the Supervisor of Elections on the results of the referendum. The majority of the landowners who voted on the following roadways were "in favor" of the proposed project for asphalt in Palm Beach Country Estates (approximately **2.4 miles**)

- **76th Trail N between 160th Lane N and 162nd Court N**
- 76th Trail N. between 163rd Court N. and 165th Street N.
- 78th Drive N. between 165th Street N. and 167th Court N.
- 154th Court N. between 75th Avenue N. and 81st Terrace N.
- 159th Court N. between 78th Drive N. and 84th Avenue N.
- 160th Street N. between 72nd Drive N. and 75th Avenue N. and 72nd Drive N. from 160th Street N. to 160th Lane N.
- 175th Road N. between Jupiter Farms Road and West End

At the February 2017 Board Meeting, staff receive approval to prepare the 19th Plan of Improvements. Staff has been working on this draft plan. **A public hearing for the filing of the resolution to consider approval of an amendment to its current water control plan to include this project is being held at this month's meeting. Staff is prepared to conduct this public hearing and to update the Board on the next steps.**

II. OPERATION AND MAINTENANCE

- A. The National Pollutant Discharge Elimination System (NPDES) Steering Committee met on **April 19, 2017. The meeting consisted of an update on the status of the final 6th Year Annual Report and Interlocal Agreements and a discussion on the Total Maximum Daily Loads (TMDL) for Lake Ida, Hillsboro Canal, and the Loxahatchee River. In addition, a presentation was given on the new Assessment Program. The current water quality monitoring program in the Cycle 3 Permit has been changed to an Assessment Program for the new Cycle 4 Permit. All permittees are required to submit a written assessment program by September 7, 2017.**

On May 23 and 24, 2017, the Stormwater, Erosion, and Sedimentation Control Inspector Training will be held at the Town of Jupiter Community Center. **The next Steering Committee Meeting is scheduled for May 17, 2017. The primary purpose of this meeting is to discuss the Assessment Program.**

- B. Staff has been actively involved in a sub team for modeling for the Loxahatchee River Water Restoration Plan. Staff has been meeting with the Army Corp of Engineers (ACOE) and South Florida Water Management District (SFWMD) to clarify the operational protocols of South Indian River Water Management District. Efforts

on the sub team include confirming assumptions in the model and aiding in the planning effort.

In addition, a meeting was held March 30, 2016 of the Project Delivery Team. At this meeting the group reviewed 13 project alternatives and ranked the projects to reduce the number of projects that will undergo further analysis. A subsequent meeting was held on April 5, 2016 to reduce the number of alternatives to 5 alternatives. The alternatives include a variety of projects to help the Loxahatchee River to meet its goals for minimum flow and restoration.

Staff has been attending the Engineering and Modeling Task subcommittee meetings to ensure that the operational protocols are being implemented for the District. SFWMD and the ACOE have been working on updating the model with the different scenarios and updating the cost estimates of proposed regional projects for the cost feasibility analysis. These updates are being prepared for the Project Implementation Report (PIR) as part of the ACOE process. **The ACOE has posted some of the preliminary results of the modeling and staff has been reviewing and meeting with both SFWMD and ACOE on the modeling and flood protection subteams. A draft calibration report of the modeling effort has been provided for review and comment along with the results of the alternative analysis. Comments for the draft calibration report are due on May 12, 2017. Based on the initial review of the modeling, the model is being re-conceptualized to ensure that the proper inputs are in the model. Staff will continue to participate in these sub teams on behalf of the District.**

- C. The Loxahatchee River Management Coordinating Council is initiating the process with the Florida Department of Environmental Protection (FDEP) to prepare a Reasonable Assurance plan in lieu of a TMDL and Basin Area Management Plan (BMAP) for the impaired WBIDs within the Loxahatchee River watershed. **There is no update for this month on this item. Staff has been invited to be included on a committee to review the modeling efforts for the development of the RA Plan. Staff continues to participate in meetings and committees on this subject and will update the Board as items occur.**
- D. Staff continues to monitor and participate in the activities of the Loxahatchee River Ecosystem Management Committee, the Loxahatchee River Initiative, and the Loxahatchee River Management Coordinating Council.
- E. We continue to receive, review, and comment on various permit applications for projects to be constructed within the District.
- F. We continue to provide engineering assistance to the General Manager, as needed, on operation and maintenance items, as well as landowner requests, utility requests, and inquiries from other governmental entities on issues that involve engineering support.

Should you have any questions or comments, please feel free to contact me for more detailed information on any of the above subjects.
